Every person wishing to address the Board must dial **(669) 900-6833**, and enter **987 6658 0221** and then press # to join the meeting. When prompted by the presiding officer, to provide public input at the Neighborhood Council meeting the public will be requested to dial *9 or use the Raise Hand option, to address the Board on any agenda item before the Board takes an action on an item. Comments from the public on agenda items will be heard only when the respective item is being considered.

Comments from the public on other matters not appearing on the agenda that are within the Committee's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two (2) minutes per speaker, unless adjusted by the presiding officer of the Board.

ITEM 1: Call to Order, Pledge of Allegiance, Roll Call, Code of Civility

ITEM 2: Opening Remarks (President)

ITEM 3: Remarks from Committee Members on upcoming project ideas

ITEM 4: Presentation by Valeria Arteaga, Environmental Engineer Associate, LA Sanitation and Environment “Safe Clean Water Implementation Division” on **The Sun Valley Green Neighborhood Infrastructure Project.**

The goal of the Sun Valley Green Neighborhood Infrastructure Project is to improve water quality by reducing pollutants from stormwater runoff, mitigate localized flood issues by reducing surface runoff during storm events, increase water supply by replenishing the groundwater, and help beautify the neighborhood with California-native plants. Please see the attached a fact sheet with more information about the proposed project that is designed to improve water quality by reducing pollutants from stormwater runoff, mitigate localized flood issues by reducing surface runoff during storm events, increase water supply by replenishing the groundwater, and help beautify the neighborhood with California-native plants.

This project will be presented to the Safe Clean Water Program for funding consideration for round 5 in July.
